Neighborhood Watch

Your neighborhood watch is composed strickly of volunteers from the community. The purpose of the neighborhood watch is to be extra eyes and ears for our officers to protect the residents of Lake Mohawk from harm and their possessions from theft. Watch members also assist in emergency situations. Simply, we wish to keep Lake Mohawk a wonderful safe place in which to live.

Watch members must pass a criminal background check and are pledged to keep any issues discussed at meetings confidential. No names are mentioned during briefings on potential problems or ongoing criminal investigations. If criminals are apprehended, we find out who they were just like you from the news media.

If you wish to join this dedicated group of your neighbors in maintaining the safety and security of Lake Mohawk's property owners contact Sgt. Tokash at 863-1053.

Friends in Stitches A community organization made up of people who are interested in learning, practicing, and creating many forms of needle arts. Many members are long time garment makers, traditional quilters or textile artists. We have a wide range of interests and enjoy sharing these many different concepts with each other. Our service project consists of making lap quilts for injured servicemen at the Wade Park VA hospital in Cleveland, Ohio. Director of this project, Kathleen Eckels, reports that we have sent 250 quilts to the hospital with our faithful courier and former Malvern Legion post adjutant, Tom Burkhart, who delivers these quilts to the women's auxilliary at the hospital for distribution. We work along with this auxilliary to make toiletry bags and have sent fabric postcards on special occasions. Our group meets one evening and one Saturday each month. Dues are \$10.00 per year and we welcome anyone whose interests might be in sewing, knitting, felting or any of the many fabric related crafts available no matter what their ability level. To learn

more about specific times, dates, programs etc. please contact Barbara Cascioli at 863-2636 (evenings) or service project coordinator, Kathleen Eckels at 863-0002. Mrs. Eckels would also graciously accept any donations for our service project mailed to 356 East Mohawk Drive, Malvern, Ohio 44644. Red Hat Chapter, Lake Mohawk, 17025

The goal of our group is to live, love, laugh and enjoy the fact that we reached an age over 50! We meet once a month for usually lunch, each time at a different restaurant, discuss the next month's plans, and enjoy one another's company.

Ladies over 50 are welcome to become members. Dress requirement is red and purple, topped with a red hat, unless it is your birthday, than you wear a purple hat. Membership fee is \$10 per year, always due in June. Ladies may be guests up to three times before joining, and guests are very welcome.
